

# Somerset Primary Care offer- Families with Complex Needs

Alpiri™

All staff working with family have had safeguarding training and are aware of [Working Together Statutory Guidelines](#) as well as on line Education safeguarding tools eg [MyConcern.co.uk](#) and [Whole School Approach](#)

Mum joins Stay and Play at Local Children's Centre but doesn't continue to engage. Health Visitor refers to GP

Relationship breaks down Mum pregnant by new partner Domestic Abuse Call Outs

Mum now has 2 more children. In an abusive relationship. Struggling with own mental health **Sees GP and requests CAMHS referral**-unable to cope with Adam's behaviour. GP asks Mum to ask school for support from PFSA

PFSA completes. Mum **returns to GP and requests CAMHS referral**. GP **assesses as behavioural Tier 3** and refers to Get Set by completing [Early Help Assessment](#) section 7A plus demographics

Transitions to Secondary School. Attendance falls. Class Room call outs increase. Hyperactivity and concentration difficulties. Poor achievement Exclusion Risk

## Team Around The School (TAS)

A referral to TAS is appropriate where there are concerns around a child or family that reaches level 2/3 under [Effective Support for Children & Families](#) and more advice and support from multiple agencies would be beneficial. [CAMHS Link Worker invited](#) (Secondary Schools only)

Adam's Birth

2yrs

4 yrs

8 yrs

9 yrs

10 yrs

11 yrs

12 yrs

15yrs

Pre conception Father – ADHD Mother Depression, Personality Disorder Alcohol, Drugs, Smoking, Domestic Abuse, Unemployed, Unstable Relationship

Health Visitor(HV) diagnoses Post Natal Depression with EPNDS

Nursery staff identify social and emotional difficulties and provide additional support for Adam. Speech and Language referral HV refers to Paeds – developmental delays

Commences compulsory education. Poor attendance. Social and Emotional Difficulties , not reaching expected achievement

Primary School struggling with Adam's hyperactivity and concentration difficulties. [Run Behaviour Vulnerability Tool](#) PFSA engages with Mum and Adam. Paeds discharge from service Speech and Language discharge

Get Set need evidence more sustained Tier 3 for a Family Support Worker. Offer Tuning in to Teens Parenting Group.

Mum now desperate. **Sees GP and requests CAMHS referral** [GP rings CAMHS SPA](#) and reads [CAMHS Eligibility Criteria](#) CAMHS need evidence from school to action referral and GP contacts school for report re behaviour, Ed Psych report (none done)

School refer to Team Around the School on basis concerns about behaviour School or GP may refer to CAMHS once evidence collected
